Letter from Sri Rao Bahadur M.V. Vellodi B.A., Collector of South Kanara, No. Ref., B5-3410/38 dated 1-9-1938.

Military - Camping ground - South Kanara district - Mangalore taluk - Panambur village - S.Nos. 47/1A2 and 50/2 Disposal - Proposals submitted.

The Panchayat Board Panambur having applied for permission to enter upon Government land for forming a village road from Panambur to Achuthapetah, I granted the permission in D.Dis. 83/37 dated 1-4-1937. A portion of the road passes through S.Nos. 47/1A and 50 of Panambur village reserved as Military camping ground [and grazing ground poramboke] The portions so required for the road have been separately subdivided and registered as S.Nos. 47/1A2 and 50/2.

2. According to B.P. Mis. No. 718 dated 28-2-1931

communicating G.C. No. 1665 Revenue dated 13-8-1929, it appears that the sanction of the Government should be obtained only in cases where there is a definite demand for the assignment of any land reserved as Military camping ground. There is no question of assignment in this case, but a portion of the Military camping ground has to be dis-reserved and classed as 'Road Poramboke' which will eventually vest in the Panchayat Board, Panambur. Virtually this means exclusion of a portion of the military camping ground and making it over to a local body. If the Board agrees with my above view I request the Board to obtain the opinion of the Government whether the plots may be transferred to Road poramboke and vested in the Panchayat Board, Panambur.

3. The information required by B.P. Mis. 718 dated 28-2-1931 is furnished below seriatim.-

Letter from Sri. Rao Bahadur M.V. Vellodi B.A., Collector of South Kanara, No. Ref. B5-3410/38 dated 1-11-38:.

Transfer - Land - Mangalore taluk - Panambur village S.Nos. 47/1A2 and 50/2 - Poramboke military camping ground to poramboke road - Proposal - Further report.

Ref:- Board's Ref. E.4648/38-1 dated 27-9-1938.

S.Nos. 47/1A and 50 and some other fields of Panambur village stood registered at the last Settlement as Assessed waste dry and shown as reserved for 'Military camping ground'. Subsequently these lands were ordered by the Collector in his proceedings D.Dis. 4147/36 dated 25-8-1936 to be transferred to porambokes. The two plots in question along with the other plots were thus transferred to 'Military camping ground poramboke' under Revenue Divisional Officer's sanction. The plots now stand classed as poramboke with the remark 'Military camping ground' in the remarks column of the A register. None of the plots stands registered as grazing ground poramboke, as is seen from the present report of the Tahsildar.

2. As already reported in my letter R.Dis. 5799/37 dated 2-11-1937 quoted in the Board's Reference, there are no military lands in this district. The camping grounds which exist in this district are the camping grounds which vest in the Provincial Government and I am issuing orders to the Tahsildars that all such lands should be registered as 'camping grounds (vesting in the Provincial Government)' as since ordered in B.P. No. 2855 Mis. dated 13-10-1938.

REFERENCE.

Submitted to the Government.

2. The Board recommends that the lands in question, (S.Nos. 47-1A/2 and 50/2) may be placed at the disposal of the Panchayat Board, Panambur, for road purposes. On receipt

of the orders of the Government, the Board will call for proposals for the alienation of the lands to the Panchayat Board.

2. The only camping grounds in this Presidency which this Govt. accepted as the property of the Central Govt. are those at Erode and Kunichi in the Coimbatore district. The camping grounds at these places have also been disposed of by the Govt. of India. The other camping grounds in this Presidency are those reserved as such by this Govt. and are not maintained exclusively even nominally for military purposes or at the cost of the Central Govt. They vest in the Provincial Govt.

3. In 1928 the Govt. of India sent to this Govt. a list of camping grounds in this Presidency which they said were no longer required for military purposes. Orders were issued in G.O. No. 288 Rev dated 13.2.30 in regard to the disposal of these camping grounds. In regard to those lands which were registered as camping grounds but which were not included in the list sent by the Govt. of India, the Govt. ~~decided~~ ordered that if and when there was a definite demand for the assignment of any such land the case should be submitted for their orders. ~~The Collector was directed to obtain such~~

laid down a definite procedure for dealing with such lands - vide Asst. Secy's note at pp 21-24 and para 3 of the order at pp 29-31 of Go. No. 405 Rev dated 19.2.31.

4. The Collr has reported that the plots in question are classed in the ~~Register~~ Register as poramboke with the remark 'Military Camping ground' in the remarks Column. The plots are not included in the list sent by the Govt. of India in 1928. The question for consideration then is whether according to the procedure laid down in para 6 at p 24 of Go. No. 405 Rev d. 19.2.31 the Govt. of India should be given the option of assuming possession of the lands. As the Collr has reported, there is no question of assignment in this case. The lands are only proposed to be classed as 'road poramboke' and vested in the Panchayat Board. But even then when the lands came to be used as road there can be no question of using them as camping grounds. However the Collr has reported that there are 26.19 acres of land which are available for use as camping ground. It will be seen ~~from the sketch~~ at page that at least 13 acres of this extent are in the neighbourhood of the lands in question. ~~It~~ seems that the taking away of an extent of [illegible] of the total extent - about 28 acres - available for use as a will affect [illegible] and it seems hard, [illegible] address the Govt. of India in this case. The Board's recommendation that the lands in question may be placed at the

may be accepted.
